2020 This is my L.A. Noire
Russian To English Patch. It is
for the pc version of the game.

this is my english translation of
the black bar removal. i just

want to remove the black bars in my game. Feb 7, 2020 Recently purchased L.A. Noire. It's in English and this is where the trouble is. The game has a black bar at the top of the screen (probably a limitation of the games resolution) that blocks the game from auto-updating. The game can be played at a lower resolution, but you'll lose FOV. Is there a way to alter this setting in the game, so it uses the full screen, allowing me to

see what's going on? Or do I have to make a change in the launcher? Mar 7, 2020 L.A.
